Living in the Truth of Your Presence

Much of the Light that is currently pouring into your planet and into every human being is being directed at this time into expanding the frequencies of Divine Grace. This Grace is pouring into all of the beliefs and patterns that may still be sustaining any unnecessary cellular memories within your mind and body.

Expand your heart and your deep compassion into the omniscience of your Beloved Presence wherein you can join your

*consciousness with those of us who are here to support you
within the many Councils of Light.
~ Lady Master Nada*

Lady Master Pallas Athena:

Nothing is more important than living and walking in the Truth of your Presence at this pivotal time on your planet. As the overseer of the Ray of Divine Truth, I extend to you your own great Sword of Truth to assist you in cutting free any patterns of thought and feeling so you can move with increased ease into the new Golden Age of Freedom.

You can no longer compromise yourself in any way... meaning you must stand true to the values that are seeded within the heart of your Presence which is inexorably linked, and always One with the True Essence of your Heart that is encoded, and has been since the beginning of your creation, with a pure Spark of the Divine. That Spark has always been with you as a way for you to sustain and remain connected with Source and as a way to find your way back *home* into the Truth of your Presence.

Most of you began your journey thousands upon thousands of years ago. You traveled through the time and timeless realms of existence, yet you were *always* part of the One Light and the One Love that lives and moves you in and out of your every breath. You have lived in realms where there is no fear, no separation and no belief structures for supporting a life that could even be lived outside of what you now call “Unity Consciousness.”

Doubt, survival and being a victim of anyone or anything was unheard of, and freedom was not sought after or even defined as an ideal: *it simply was your natural state of being* before the limited, conditional mind started to develop the idea that it could override

the wisdom in your heart and prompt you to believe that you needed to survive on your own and develop unhealthy appetites for greed, power, sex and violence to support your physical survival.

The mind finally began to convince you that you needed to armor your heart in order to keep you from feeling too much pain or experiencing too much intimacy with another's thoughts and feelings. Love got confused with sympathy and even empathy and finally your limited mind convinced you that you could exist as a separate entity with no connection to your Presence.

To walk the Earth as a Living Master, the Light of Truth is now inviting you to fully reestablish your original connection with your Presence and to trust your Heart and the Truth that abides therein. We are inviting you to expand your mastery during this pivotal year of 2011 by strengthening your pre-separation knowing and then to stand strong in *that* Truth, *that* Clarity, *that* Harmony, *that* Peace, *that* Wisdom, *that* Joy, *that* Grace, *that* connection with Divine Will and authentic Power, *that* capacity to see through the false masks and facades (your own and others) placed there solely to protect the ego, *that* capacity to hear the Truth beyond and behind the normal, the acceptable and the obvious. These are all qualities you would simply consider natural within a God Conscious being and they are all yours to embody as a living Master.

In that Light and in that Love we are inviting you to live as the One you truly are and to uphold all of your God-given qualities as simply a natural expression of your own true nature. This is all part of your original encoding from Source *regardless of the conditions you may be seeing in the world or any dire consequences you may be observing or believing in this moment.*

You are being encouraged to go forth without ever settling for less than the Truth that is always abiding within the deep Heart of your Eternal, Essential Self.

It continues to be our pleasure and delight as the wayshowers from the spiritual realm to assist you in this ongoing process. Know that we are here to support you living in the ongoing Grace of the Divine during these pivotal times.

You are also being invited to become certified teachers of the *Golden Age Courses* for men, women, parents, teachers, caregivers and children and take an active part in co-creating a new Golden Age of Freedom.
