April 2010 ~ Part I

Sacred Relationship

Part I

Whether you are aware of it or not, you are all emissaries from Source who have specifically chosen to be here with your Earth and with each other during this great Shift in the Ages.

Mary Magdalene

The Goddess of Justice, Lady Portia, and I come to speak with you about the extreme importance of bringing the full essence of the Divine Feminine expression of your Presence into complete harmony, resonance, and equality with the full essence of the Divine Masculine of your Presence. This internal union both within yourself and within your primary relationships is the foundation for all of life within the 5th Dimension. It holds the major keys for moving all of humanity into a new Golden Age of Freedom.

With our Twin Rays ~ I with Jeshua and Lady Portia with Saint Germain ~ we amplify the capacities of the soul to live in conscious Union with the Divine at all times. All of the essences that make up both the Divine Feminine and Masculine expressions of your soul are continually being supported by the Sacred Rays that make your world so beautiful. Each of these Rays support specific qualities within

and around the body and each one has a particular function within the heart and the etheric Spiritual Centers in your body.

Because of the history of the Ruby Ray and its function within both the Divine Feminine and Masculine aspects of your Presence, you have experienced inequality, conflict and separation rather than equality, harmony and unity. As you progressed through your collective illusions of *time*, the Ruby Ray began shifting into more of a pure Red frequency, meaning it lost connection with its Sapphire Blue overtones that kept the Ruby Ray aligned with Divine Will. When Red started to take the place of the Ruby Ray's capacities to keep the soul aligned with its blueprinted Passion for the Divine, humanity started to use the Red to create thoughts that supported tension and intensity within the mind, heart and body. Emotions such as anger, greed, jealousy, judgment, blame and an imbalanced focus on one's sexual needs eventually became acceptable and ordinary.

These intense emotions arose out of the soul's deep attempt to satisfy the heart's tremendous grief at having forgotten how to be One with the Presence and with the Presence of their partner and all of life. Even war and territorial pursuits were all created out of humankind's deeply *encoded* longing for the Self. As the pain escalated over the years everyone forgot that their original longing was purely for the Self so love could be amplified within every heart and home.

The good news is that all of the encodings that have led to your false sense of separation and all of the attempts of your ego to remain in control of your limited mind, are now being seen for what they are ~ part of the illusions that have driven humanity into separation for thousands of years. As you continue to live from your heart and embody your true mastery, you will discover there are no enemies and no dragons to be slain and Sacred Relationship is part of your Divine Inheritance.

***Living your mastery and serving the Divine in each other
involves listening to your heart and following your Presence
until you are certain that It is in charge of your life and your relationships.***

Your God Presence is here to align you with your own internal Twin Ray. That relationship can then extend to sharing your Presence with another who is equally aligned within him or herself. We are here to support you while you joyously continue to discover that there is much, much more to love and true intimacy than

you ever imagined. Experiencing and living this love within the freedom of Unity Consciousness is truly why most of you chose to be here exactly at this moment!

We are here to assist you in surrendering so deeply into your Presence that you can discover for yourself there really is no separate self and that the ego can be transformed back into the pure energy of Source. Passion for the Divine can then replace the ego mind's desire for control and power over others. As this transfer in consciousness continues to transpire, contraction and dis-ease move out of the mental, physical and emotional bodies and freedom becomes the keynote of your everyday lives. To support you living in sacred relationship, we have created ***Sacred Relationship Courses***.

Whether you are aware of it or not, you are all emissaries from Source who have specifically chosen to be here with your Earth and with each other during this great Shift in the Ages. Humanity is now reaching the maximum levels of separation allowed within its Divine Blueprint for these times. You are all moving into the true encoding within your Heart. You and the Earth were really created to embody and share your collective Presence as one radiant, magnificent expression of Source.
