The Golden Age Man and Woman

Part I

We are calling thousands of you to embody your mastery now so you can create new paradigms on every level of your Earth life. Every Golden Age is created by those who are willing to manifest from the level of Presence. We are speaking to the hearts of all those who know you are here to co-create the next Golden Age of Freedom.

Masters Kuthumi and Lady Claire

Master Lady Nada

Many hearts are hearing the call to begin walking their mastery as Golden Age men and women who are fully dedicated to supporting all that is in harmony with Unity or Christ Consciousness. The life of a Golden Age man or woman will be their unique song and it will be in harmony with the symphony of the universe. For the director is not the limited personality self as it has been in the past, it is rather the Presence that is shared by all. The walk of a Golden Age man or woman will be a pure demonstration of Oneness.

Humanity has been able to go the moon, yet the greater exploration is not into outer space, yet rather into the inner space that is calling you into creating the new,

rather than re-creating the past ~ a past that has brought humanity into fear-based living and false loving, duality and separation.

The Golden Age man and woman could be seen as spiritual warriors, yet there is truly nothing to battle *against*. The play of the dark simply represents disconnection with one's true inheritance. When you love the Truth that resides above the war zones created by duality, life appears very differently.

You have been preparing to move into this next spiral of consciousness for thousands of years, yet your hearts have not been open enough to feel the true depth of your own yearning. You have not been intimate enough with yourself to experience your own deep-seated desire to live in the unconditional love that is truly possible on the earth plane. We witness many of you screaming into the heavens to please give you another way of living.

Though you are witnessing the necessary purification that is taking place on your Earth, many of you are seeing the Light at the end of the tunnel. You are witnessing the real possibility of using all the lessons you have learned to literally transform yourselves out of the fear-driven instincts that brought you to the edge of being swallowed up in your own unconsciousness. You are seeing that you accepted your illusionary limitations because you were taught that they were necessary for your very survival.

***Over the centuries, human beings forgot
how to live from the depth of their
authentic capacity to love.***

They lost their connection to themselves as a Divine Spark of Source and they even disconnected from being stewards of the Earth. During the end days of Atlantis the elite began seeing your glorious Earth as their own personal playground and eventually everyone began to experience and accept the pain of separation until at the end fear, survival, sexual abuse and all of the dramas that naturally arise out of wanting more power and control became the foundational principles of your third dimensional world.

You even learned how to enjoy being afraid and this tendency is still evident in the dramas that you are either living or watching in your theaters. These dramas also

demonstrate the belief that you must fight for what you want or be in a state of accelerated excitement to feel your aliveness. Yet I share with you from my heart, beloveds, that Divine Love is the key to unlock what you are truly seeking.

Archangel Metatron and the Queen of Light

To lift you out of all the drama that has arisen from years of living in limited levels of consciousness, we are here with the Elohim, the Cosmic Beings, the Archangels and your ancient Star Elders to assist you in connecting with the 5th dimensional grid of consciousness that is already around your body and around the Earth. This grid is functioning like an immense womb that contains all the right frequencies for preparing your world and all of life to move into a glorious new octave of consciousness.

Golden Age men and women are being asked to demonstrate this new octave by walking on the Earth in their 5th dimensional bodies of consciousness. It is vital that there are emissaries who are truly living their mastery by focusing the majority of their attention on living as their Master Self.

***This is your invitation to walk in that Love as
Golden Age men, women and children.***
