## *LIVING AS A CHRIST IN THESE TIMES*

### **Jeshua and Mother Mary**

Our love and the love within the hearts of all those in the Ascended Realms is pouring into your world at this time to accelerate your ability to remember *your* Divine Origins. When you come together during your Christmas season to celebrate my birth, my mother and I use this time of year to honor *your* inner Christ and thus to nourish the seed of your *own* Divine Presence.

We did not come into your world to be worshiped as higher than any of you; we came to mirror your own inner Christ and in that to be seen as your equals, yet very few of you have loved yourselves enough to allow for this equality.

*Now is your hour of remembrance, beloveds, and we come once again to stimulate your deep inner knowing so you can finally accept and feel yourself as the Love and Light of the world.*

This is truly who you are ~ and when you can accept and embody this truth, then you walk forth as your own unique expression of the Christ. The world sees and feels this, even if you are living in silence; for as the Christ frequency goes forth from your heart, it stimulates and awakens others to remember their own inner Christ Self. And this, beloveds, is why we came into the world.

### **Master Saint Germain**

The souls in your world started encapsulating themselves within their own limited realities a very long time ago. It took thousands of generations to create fear and duality as the foundational consciousness of your human family. Eventually everyone accepted that it was natural for their lives to involve struggle and opposition versus ease and cooperation.

Human beings never really lost their powers; they just began using them for creating façades that they earnestly thought would allow them to be seen, loved, heard and recognized as having value. Most of humanity lost its ability to receive its natural abundance. They began generating deceit so they could get their needs met. Greed and control over others became so commonplace that it has been recognized as *normal* for a very long time.

As I witness many of you today, however, I am filled with delight; for I see many of you truly shedding some of your ancient needs to be other than who you are. You are discovering that a façade never brought you peace, joy, abundance or a true sense of self worth. You are finding that challenges are always opportunities to create something new; that struggle is just your resistance to surrendering your personal will to have something—or someone, even yourself—be different than they are and that struggle is an inside

reaction to an imagined set of circumstances. If you do not take any of it personally, these supposed *enemies* can become your most intimate allies.

As your planetary amnesia continues to wear off, the veils that have hidden your true spiritual inheritance from you are lifting daily.

*Our greatest joy is to witness you awakening into your own Divine Presence as your Master Self and to watch you progressively walk the Earth in your mastery.*

### **Lady Quan Yin and the Lord of Compassion**

There are no time restrictions in our realms, yet there are cosmic expansions of energy that come forth naturally to support giant leaps in the consciousness of your world and indeed other worlds as well. Portals are opening between the worlds and you are being invited to move through them according to your willingness and preparation.

You are now being given the opportunity to make a great leap between the dimensions you have known into the dimensions you have forgotten or never known. We within the ascended realms are here to assist you in moving gracefully and consciously through these dimensions. This movement is what you have been referring to as the *Great Shift*. We appointed ourselves centuries ago to be available to assist you during these times.

[If you would like information about this opportunity to be mentored by the great Masters, visit: [www.WalkTheEarthAsALivingMaster.com](http://www.WalkTheEarthAsALivingMaster.com)]

My beloved Twin Ray Chenrizig, also known as the Lord of Compassion, is here with me now to let you know that every person

whose heart is moved by love and who deeply and sincerely acts for the benefit of others without concern for fame, profit, social position or recognition is expressing his Ray of Compassion.

*We are here to move you gracefully through  
the centuries of what you have perceived as suffering.  
We are also here to share with you that your tears  
have strengthened your capacity to be compassionate.*

They have opened your heart to the truth of Love as the ultimate healer and they have moved you deeper into the river of your own unfolding destiny to walk the Earth as a Buddha/Christ—to live as compassion in action.

### **Lord Kuthumi and Lady Claire**

I speak now as Claire, one of the holders of the Light of clarity that is being sustained for humanity within the Sacred Ray of Aqua. I am sending my love into your hearts as if from a blazing star within your heavenly realms. I hope you can feel my delight in being with you as we share our co-joined Presence within the Heart of the One.

It is this heart that I share with Kuthumi, who to me is still Francis, or as you call him, Saint Francis. We live in the realms of Light that sustain the essences of the nature kingdom; for we never lost our affinity to the beauty that abounds in your physical world.

As Kuthumi, my beloved has many responsibilities that involve his service to your world. For he promised Jeshua he would be with him always and so they serve together as world teachers and overseers of the Councils that have agreed to support the initiation of as many hearts as possible into Christ or Unity Consciousness.

As initiators, we are all here to nourish the seed within your heart that is encoded to awaken at its appointed hour. For many of you, NOW is that *hour* and now is the time to join in equality with every soul so there is no dissention, no war, no judgment, no comparison or competition, no fear and surely no need to live in separation, blame or shame. Your heart was designed and encoded to demonstrate its original purity, the purity I witness every moment in Claire as my true companion within the One Heart we share.

Although I am in service to your awakening, as is Jeshua, we do take our moments to be with our Twin Rays. We experience the ongoing joy of the Divine by expanding our co-joined bodies of Light into the fullness of the Beloved within each other and within the Heart of Source.

A glorious temple has been created on the inner planes for expanding the energies of Sacred Relationship into your world. Jeshua and Mary Magdalene have also brought these energies to you within a Course they facilitate for amplifying your ability to live in union with the Beloved, both within yourself and with another. [For more information about this *Sacred Relationship Course: Living in Union with the Beloved*, visit the website: [www.WalkTheEarthAsALivingMaster.com](http://www.WalkTheEarthAsALivingMaster.com)]

As Cosmic Beings, we serve with our beloveds expanding the *same* Love and Light you are being asked to increase in your world. We are all together in this grand awakening and soon you will feel and know the truth of this so deeply within your mind, heart and body that your joy will increase many fold. For then, as now, you will know your oneness with All of Life everywhere.

### **Archangel Michael**

I come to bless you during these tumultuous times and to let you know that I am energetically and etherically connecting your progress into the

hearts of your ancestors so your freedom becomes theirs as well. Many on the fourth dimension who would ordinarily be waiting to re-enter a physical plane life, have entered into inner plane schools where the Ascended Masters are teaching them how to ascend into their freedom in the fifth dimension. There is much joy as they discover they really have a choice, one they did not realize until YOU showed them what is possible. Although the Ascended Masters are teaching them *about* Unity Consciousness, it is their link to you and your link to them that is giving them the impulse to open their hearts and start living this possibility.

You are the Way Showers, beloveds, on both the third *and* the fourth dimensions. I am spiritually here with you right now to applaud your ongoing focus and dedication to walking the Earth as a living master.

*Let nothing you see deter you,  
let nothing you hear in your media frighten you,  
let nothing you witness  
ever let you believe that the Divine Plan is failing.*

For it is a *fail-safe plan*, and you are moving within it as the Light and Love of God that is Eternally Victorious!
